Len Zanni vs Mike Allen in a bike race up Independence Pass in Aspen, Colorado. High altitude, low oxygen, a lotta pain.

This race starts at the winter gate, 4 miles east of Aspen, and finishes at the Independence Ghost Town approximately 10 miles east up Highway 82 on Independence Pass. The Ride gains approximately 2200 feet of elevation, from 8,500 to 10,700, over the ten mile route. A BIG thank you to our top gun motorcycle pilot Pat Ryan!

And also a big thanks to race director Mark Fuller and all the volunteers for making the event such a success. The Ride for the Pass is a benefit for the Independence Pass Foundation

Results: 1: Mike Allen 39:47 2: Len Zanni 40:00 3: Ryan Starr 40:24
